## Our Floors

A party isn't a party without a **funky floor**. Dazzling your guests with an array of flashing colours, our dance floors offer the ultimate ice breaker: a fabulous centrepiece that's guaranteed to get the party started and, more importantly, to keep it going.

Our floors are fully portable, quickly installed and flash to programmed preset patterns or in time to music. While there are certain components, ultimately the design is yours and you can modify the size and the shape of the floor according to your particular requirements. And it doesn't have to be a dance floor either. We have, for example, created illuminated catwalks coloured to suit designers' personal collections. In any case, we're always excited about your themes and ideas and we'll help you make the perfect choice.

### Which floor is best for you?

There are two types of dance floors available, both of which come in various sizes and shapes to suit your event.

### Syncro Floor

Our **Syncro floor** uses the latest technology to create a choice of colours from an astonishing 16,000 combinations. These can be manipulated into multiple designs and co-ordinated with the theme of your event.

### Retro Floor

Our **Retro floor** is a traditional 70s floor with red, yellow, blue and green illuminated, flashing squares.

# funky floors

We provide Illuminated Floors, Boogie Bars, Star Cloths, Neon Signs and DJ Booths for any occasion including: Corporate events, Weddings, Promotions & exhibitions, Parties, TV & film, Live theatre, Fashion catwalks and Speciality DJ events.

## Money, money, money

Prices include delivery and a thorough installation service. What's more, we travel to any venue across the UK and mainland Europe.

From podiums, small 3m x 3m dance floors to the largest mobile illuminated dance floor available in Europe; we have something to suit your budget.

## Get on the good foot

While our company is all about having fun, we take the responsibility of your enjoyment very seriously.

Our Funky Floors are extremely robust and rubber-backed to protect the floor of your venue. The edges of the floor are lit for Health & Safety reasons. We're fully insured and we offer risk assessment as standard.
