Seventies Total Disco

Catch this if you can

This really sorts out the happy-go-lucky event organisers from the hardcore disco kings. If you want to give your party the ultimate edge, our Seventies Total Disco package is the first and only 70s DJ service that comes complete with an illuminated dance floor and DJ booth.

There are many different packages available, depending on whether you want DJ hosts who can judge fancy dress competitions and 'disco dance offs', or choreographed dancers who deliver classic routines to the soundtrack of the 70s. We even have retro games like 'Play Your Cards Right' that promise plenty of laughs in between the disco action.

Here's what's on offer:

The Barry White

Funky floor, DJs, DJ booth, mirror ball, smoke machine, lighting effects and sound system - A substantial package.

The Diana Ross

Funky floor, DJs, DJ booth, mirror ball, smoke machine, lighting effects, sound system, neon signs and star curtain - Supreme in any sense.

The Michael Jackson

Funky floor, DJs, DJ booth, mirror ball, smoke machine, lighting effects, sound system, neon signs, star curtain, podiums, choreographed dancers and Boogie Bar. With Bubbles.

It's a whole range of services, all expertly and professionally delivered. And the great thing is, you only need to make one phone call.
