Boogie Bars

When your guests aren't dancing, they're probably up at the bar ordering their next Tequila Sunrise. So why not continue the 70s theme with one of our Boogie Bars? Flashing in time to the music, our bars have a clear front panel that's filled with water and fabulous bubbles that glide to the top.

The bar surface offers plenty of space and treats your guests to a fantastic effect as their glasses and bottles glow with the Boogie Bar's lighting. What's more, there's plenty of storage space for glasses and stock both behind and beneath the bar. Prices include delivery and full installation.

Our range of accessories includes illuminated podiums (1m²) and star cloths which transform your venue into a boogie wonderland.

But why stop there?

Our DJ Booths light up in a twinkling array of colours and have built in electrical points so your DJ can simply 'plug & play'.

You can also choose from a fantastic selection of neon signs, or even order a bespoke sign at the upper end of the price range.
